- **What is working and is not for people with disabilities in your community?**
- **What services & supports exist which allow you to live independently?**
- **What additional services & supports are needed in your community to allow people with disabilities to live independently?**
- **What employment resources are needed to help residents find and hold jobs to improve economic self sufficiency?**

**We are asking these and many other questions to better serve residents of the Seacoast Region.**

**We look forward to your participation.**
