NH Vocational Rehabilitation (NHVR) helps people with disabilities go to work. Last year NHVR assisted 1,043 individuals with disabilities obtain and maintain employment.

We are always searching for ways to improve our services.

## **You Can Help!**

Each year NHVR holds public meetings across the State to gather input on how our services are working in New Hampshire. Your thoughts are important to us. We have several options for you to provide input.

- You can join us at one of our scheduled meetings.
- You can complete an online survey – the survey is located at:  
<http://www.surveymonkey.com/s/6LQLV8Z>
- You can send your ideas to: Ella McAllister, 21 South Fruit Street, Suite 20, Concord, NH 03301; via e-mail-[emcallister@ed.state.nh.us](mailto:emcallister@ed.state.nh.us); phone (603)271-3471; fax (603)271-7095.

The Agenda for the meeting includes a brief overview of NH Vocational Rehabilitation and the State Plan and then moves to gathering comments from those in attendance on the following topics:

- How is Vocational Rehabilitation working for you;
- What do you see as the rehabilitation needs of persons with disabilities in the State; and
- Ideas you have for improvement and/or expansion of Vocational Rehabilitation.
