

The Brain Injury Association of New Hampshire's
25th Annual Charity Golf Tournament

It is that time of year again! The Brain Injury Association of New Hampshire's Annual Charity Golf Tournament is scheduled for Wednesday, August 13, 2008. This year will mark our 25th Tournament and our 5th year at beautiful Pheasant Ridge Golf Club in Gilford, NH. This event is a wonderful opportunity for participants to support the Association's mission as well as to have fun with friends and family! The tournament will begin at 8:30 a.m. with a shotgun start.

The format for the day will be a scramble, allowing everyone to participate and enjoy the day. Registration includes a welcome package, a day of golf on a great course, a bag lunch, several contests and raffles and will be followed by a buffet dinner and an awards banquet. Besides being a fun day of golfing, the tournament also raises much needed funds which support vital programs for brain injury survivors and their families in New Hampshire.

This year we have a variety of sponsorship opportunities to suit all needs and budgets. To be a sponsor, complete the form, checking off your level of support, and mail it with your check for the appropriate amount. We will contact you if we need anything further. To register a team, simply fill out the form and mail it with a check for your foursome (if you are a single player we will do our best to make arrangements for you to join a team). Registration is \$110 per player. The Tournament is limited to the first 144 players, so register today!

For more information about this event, call the Brain Injury Association of New Hampshire at 800-773-8400 (in-state) or 603-225-8400 or visit our website at www.bianh.org.
